

Halogen Leak Detector

ELENCO[®]

FEATURES

Halogen Leak Detector

- Detects all kinds of halogen refrigerants
- Sensitivity adjusted at any time and it can be adjusted automatically to the best state of detecting.
- Audible and visual leak indicators
- Inner precise IC with Ultra-low consume circuit design; more stable; longer battery life.
- Tri-color visual display of battery voltage.
- Excellent sensor; high sensitivity; longer use.
- Storage pouch included
- Halogen Leakage Detector requires (4) AAA batteries (NOT included)
- DATASHEET

Batteries 4-AAA

Brand Elenco®

Manufacturer Elenco®

Parts Included 1
